## FRONT ELEVATION

### Additional Information:

A two bedroom bungalow house plan with many great design features for family living. The master bedroom has a full ensuite bathroom and walk-in closet. Laundry facilities are conveniently located on the main floor. The large great room with doors leading to an even larger lanai, adds further character to this house plan. The open concept kitchen and eating area creates an ideal space for family dining, and the formal dining room is excellent for entertaining indoors. The large three car garage with plenty of storage space only adds to the functionality of this design. This design is featured on our website as Feature Home Summer 2011.
